Strategies To Increase Your Volunteer Workforce & How To Protect

AON

Acknowledgement of Country

We begin today by acknowledging the Traditional Custodians of the land on which we all meet today, and pay my respects to their Elders past and present.

General Advice Warning

The information provided to you may be general advice. In preparing the information, no account was taken of your own personal objectives, financial situations, or needs.

Accordingly, you should take into account the appropriateness of any general advice or information we have given having regard to your own objectives, financial situation and needs before acting on it. Constraints in volunteering

- ① Do volunteers feel protected?
- ① How can you encourage more volunteers to work with you?
- ① How can you find greater calibre of volunteers to join your board?
- ① Are you using insurance as a tool to promote for volunteers?
- ① Insurance can be used to open new possibilities to your organisation

What is Risk Management?

- ① A recognised method of injury prevention – its not just insurance.
- ① Risk management guidelines enable organisations to:-
 - Establish the context
 - Identify risks
 - Measure/analyse risks
 - Evaluate risks
- ① Treat risks
 - Avoid the risk
 - Control the risk
 - Transfer the risk (insurance)
 - Finance the risk

Transfer of Risk

- ⑤ Each organisation needs to consider its own insurance needs.
- ⑤ What is your organisation's exposure?
- ⑤ What can your organisation afford to self-insure?
- ⑤ Different policies will cover the transfer of risk you require.
- ⑤ Once you have determined that you are transferring your risk to an insurance policy, you need to consider the different areas for each class of insurance
